Weekly News

14th May 2021

Dear Parents and Carers,

We are really proud to show off the great work both in and out of the classrooms that our students are achieving.

Please also check the information we have sent out via InTouch regarding several important points. A summary is outlined below:

Canteen
We have, as a school been concerned by the quality, range and availability of food on offer. We have sought intervention and support from West Sussex County Council on this matter and have discussed the questions raised by parents and our whole school Student Movement. We will keep you updated on the results of our meetings with both WSCC and Caterlink, our catering suppliers.

Face Masks
Taking all of the guidance from Public Health into consideration, we still recommend that masks be worn in communal areas to support our whole community after 17th May.

Testing
Please continue the bi-weekly testing of your child as part of our overall safety.

Public Transport
Masks must still be worn at all times on school or public buses and all trains.

Tesco
We ask for your support in ensuring that all our students be polite to the public at all times and remind your child not to visit Tesco after 8.15am as this is making them late for school.

We would like to thank you and the students for your support and co-operation.

Wishing you a restful weekend.

Yvonne Watkins,
Headteacher

News from The Student Council

At Bourne Community College everyone has a voice and one of the ways students get to express their voice is by joining one of the Student Voice Groups. The Year 8 Council is one of them.

We have been discussing 2 large concerns in the Year 8 Council. Firstly the Canteen. Many Year 8 students were disappointed with the quality, price and range in the Canteen. As a result we created a survey for the whole school. Many students participated. This was presented to Mrs Watkins at a Student Movement gathering. She will take this forward to ensure students see improvements.

Now we are meeting with Mr Acquah to discuss the PE curriculum for boys and girls.

Design Tech

Year 7 have recently finished their second DT project which is to make a wooden animal. This gives students an opportunity to cut, shape and drill timber using the machines in the workshop and assembly skills too. The project is all about accuracy, and 7A1 did really well with this.

Year 8 students completed making their adjustable lights this week, while Year 9 students used their soldering skills to make fans influenced by the design style of Alessi.

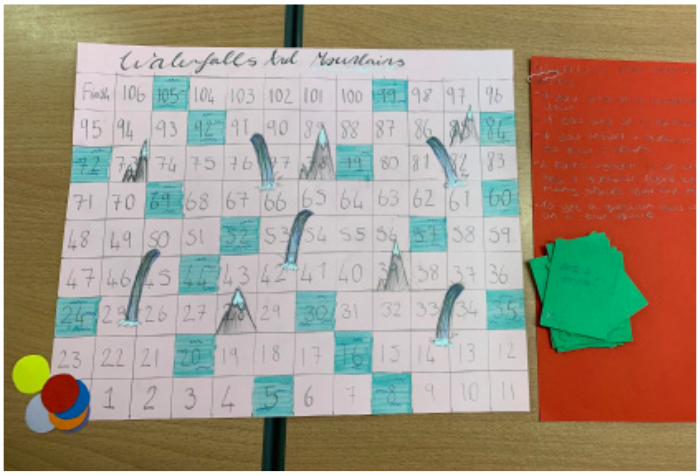
Year 10 have recently finished making anglepoise lights. They developed their practical skills whilst making the lights, cutting and shaping timber using CAD/CAM, soldering electronics, cutting and finishing a metal bracket and setting the bracket into a concrete base.

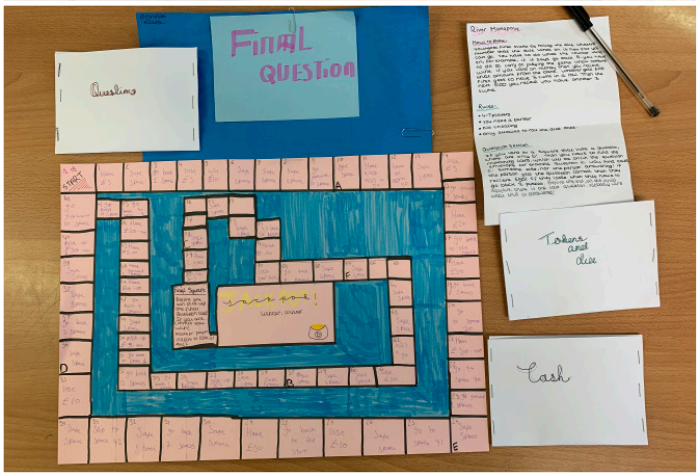
Miss Newman,
Teacher of Design Technology

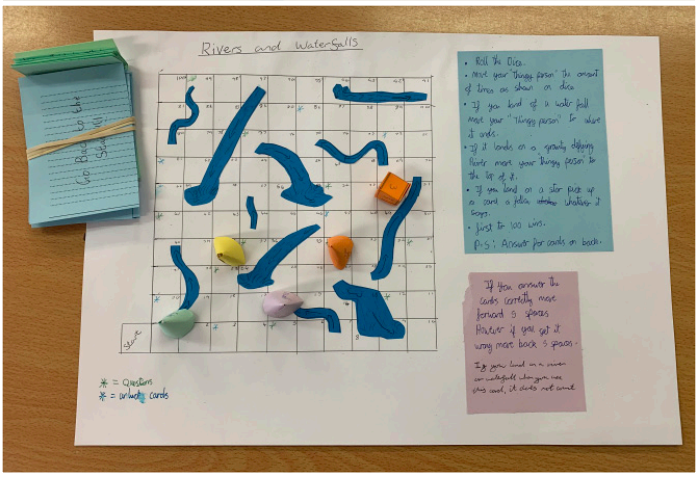
Year 10 Rivers Game

Our Year 10's got creative and designed their own Rivers board games. They surpassed my expectations with their creativity and challenging questions.

Mrs R James,
Leader of Humanities







WELCOME TO THE FRIENDS OF BOURNE

A CHARITY ESTABLISHED TO SUPPORT YOUR LOCAL SECONDARY SCHOOL

The Friends of Bourne was established to advance the education of all pupils at the Bourne Community College by providing the best resources and improving facilities at the college.

We are keen to raise funds for new Science, Maths and PE equipment as well as enhancing our outdoor learning spaces. These crucial resources will benefit all students in every year group.

HOW YOU CAN HELP

You can support our charity by donating funds via our website or providing essential items that are sent direct to the school.

Library - Summer Audio Books

Week 1, April 29 - May 5, 2021: After Crossing the Border

COME ON IN
15 Stories about Immigration and Finding Home

by Adi Alsaid [Ed.] | Read by Amielynn Abellera, Jonathan Todd Ross, Katherine Littrell, Leila Buck, Maria Liatis, Sneha Mathan
Young Adult Ages 12+ • 7 hrs. • Unabridged • © 2020

This compelling audio collection of 15 #ownvoices short stories explores the realities of immigration and its abundant facets. The works are written by YA authors who are immigrants or the children of immigrants. Listeners will meet characters experiencing supposedly random police stops, making space for family displaced from a tumultuous home country, and continually being asked where they're from--when the answer might very well be the country they're already in.

SYNC audiobooks are running their free summer audiobook programme again this year starting Thursday 29th April. Visit https://audiofilemagazine.com/sync/

Henry Settles Into New Role As School Companion

Our new school companion, Henry, received a warm welcome from students at The Place, who enjoyed giving him a few tasty treats and lots of attention. After exploring his new surroundings, Henry soon got into his new role, listening quietly whilst students read to him.

Travelling to school and college safely, now that LOCKDOWN has been eased.

It is likely that the roads and public transport system will be busier than when we returned to school in March, as more people have returned to work.

So please follow this advice:

- if you live a short distance from your school or college, walk or cycle to and from school wherever it is possible and safe to do so
- avoid sharing a car with anyone outside of your household or support bubble
- if you are using public transport to get to school or college, plan ahead and allow more time for your journey
- when you are travelling by public or dedicated school transport, don't forget to:wear a face covering (unless you are exempt)
- It is important you wear them for the entirety of your journey, including inside a bus or train station
- social distance where possible
- do not congregate in large groups anywhere on stations/ bus stops or in parks
- wash or sanitise your hands regularly
- be considerate to fellow passengers and staff.

It is essential everyone follows these guidelines to keep everyone safe.

St Wilfrid's Hospice

Making a difference to local lives

The pandemic in numbers

What COVID-19 has meant for St Wilfrid's in the last 12 months

90% OF CARE IS GIVEN AT HOME

AT ANY ONE TIME, WE HAVE **325** PATIENTS IN OUR CARE

4 EXTRA INPATIENT BEDS WERE OPENED ON OUR WARD TO SUPPORT THE WIDER HEALTHCARE SYSTEM

6 OF OUR **11** Community Nurse Specialists are trained Nurse Prescribers. This Masters-level qualification allows our Nurse Prescribers to have a timely response to symptom management, prevent patients from having to be admitted to hospital, and allows them to remain at home

154 schools, colleges, and youth groups across West Sussex were supported with bereavement issues and training by our Education team, funded by Compassionate Communities West Sussex between January and March 2021.

12 new videos and podcasts by our expert physiotherapists supporting people experiencing breathlessness

ST WILFRID'S 12 CHARITY SHOPS WERE CLOSED FOR AN AVERAGE OF **217** DAYS, NOT BRINGING IN VITAL INCOME

The Moonlight Walk had to be postponed to **SEPTEMBER 2020**, OVER **600 walkers** raised an amazing **£76,600** in the new 'virtual' event

Moonlight Walk Week 2021

4-11th September 2021

Our **3 Community Support volunteers** made **173** phone calls to local people with life limiting illnesses between September to December 2020

The number of people being cared for by our Community team **has increased by** **40%**

You can continue to make a difference to local lives by supporting our work

Thank You
