

Uniform Policy

Bourne Community College is a “uniform” College. Without exception all students wear uniform. A uniform helps to give unity and identification to a school, it can make less obvious the different financial circumstances of parents and students from the temptations of temporary extremes of fashion.

We assume all parents/carers will ensure their children dress according to this uniform list and will support the College in seeing that high standards are maintained in the wearing of uniform, tidiness and cleanliness.

We expect a high standard of dress whilst students make their way to and from College and during the College Day.

“Every child has the right to express their religious beliefs and practices”
Article 14 - UNCRC

We seek to make appropriate arrangements to reflect the requirements of different religious faiths with regard to acceptable variations of the school uniform. We are sensitive to the needs of different cultures, races and religions, and their needs are accommodated within this policy.

Any religious variations to our uniform must still comply with our Health and Safety requirements.

“The best interests of the child must be a top priority in all actions concerning children”
Article 3 - UNCRC
