

Dear Parents and Carers,

Please see inside to find out about the latest achievements of our students.

We are delighted to learn that one of our former students, Lucy Conway has received a scholarship in the USA to play for the Wildcats. We wish her every success and look forward to hearing more on her future sporting career.

Our school has worked hard to continuously uphold the UNICEF Rights of the Child across the whole school. We are proud to announce that through the dedication of all staff and students, particularly Ms Ward and her team of RRSA Ambassadors, we have been re-accredited Gold Status.

We shall be celebrating this fully as a school in the near future and will keep you posted.

We hope you enjoy reading our latest news and we wish you a restful weekend.

Best wishes

Yvonne Watkins  
Headteacher

Charity No. 1180800

A huge well done to our Year 11 artists, they have been a fantastic year group and produced some outstanding work despite the challenges of the past year. We are delighted that they came together for one last piece of collaborative art work, that we are planning to display somewhere around the school very soon. Amazing work and best wishes to you all for the next stage beyond Bourne!

Mrs Cluff, Miss Donovan & Miss Wood

# Students Represent The Bourne in PE

## Netball

The above Year 9 and 10 girls were selected to represent Bourne at a netball masterclass run by Mikki Austin (Head coach of Surrey Storm). They were playing both against and with, college level players and rose to the challenge admirably!

The girls performed brilliantly and learnt a lot from the experience which they are hoping to bring back to their school team.

## Athletics

Katherine B in Year 9 has been selected to represent The Bourne at the Sussex Schools County Athletics at the K2 in Crawley. She has been selected as one of 6, based on her most recent times for the 75M hurdles.

Katherine will be competing this Saturday against other competitors at the event. The qualifying standards are extremely high this year

to keep numbers down due to COVID restrictions, and Katherine has run inside the qualifying time of 13.5 seconds.

We wish her well and are proud of our students' achievements this season.

Miss Ward,  
Teacher of PE

## Combining Passion with Education

We were delighted to learn that former student, Lucy Conway, who took GCSE PE, has received a scholarship to play football at a college in Mississippi, America, starting this August.

After her time at Bourne Community College, Lucy went on to study sports at Itchen College, knowing that her future would be based on sport.

She trialled out for American Scholarships travelling from place to place, playing to impress and be given the opportunity to play and study in America. Thankfully all her hard work paid off as Lucy was offered 3 scholarship places!

As of August 2021 Lucy will be joining Pearl River in Mississippi USA, where she will be playing soccer for the ‘Wildcats’. Her scholarship

term is for 4 years where she will also work towards her degree.”

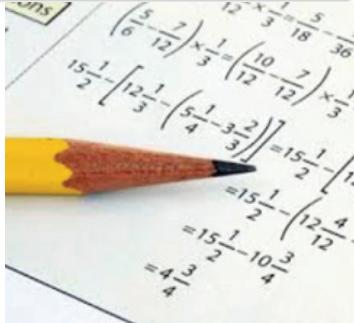

A massive congratulations to Lucy and we wish her all the best in her exciting new life.

Miss P Taylor,  
Teacher of PE

# CLUB LIST

# Using Pure Maths to Solve Real World Problems

Adrain Oldknow emeritus, professor of Maths and STEM Ambassador, has offered to deliver a program of Maths which uses the STEM theme of project based learning with analytical problem solving. He is working with 12 of our able mathematicians using GeoGebra modelling tool, to bring pure Maths to real world problems, such as the structural integrity of bridges.

This is an initial six-week project, which we hope to develop and extend further at Bourne Community College.

Ms M Perry  
STEAM Activity Coordinator

# Young Carers visit Tuppenny Barn

Some of our Year 7 Young Carers had a trip to Tuppenny Barn this morning and made Elderflower doughnuts!

They were enjoyed by all, including the local Robin who swooped in for crumbs. It was very tame and obviously felt comfortable around the students as it sat next to them on the table.

Students picked the elderflower, cleaned and prepared it. They made the batter themselves for dunking the elderflower heads and had some help with the deep frying. They enjoyed eating the elderflower doughnuts which had been sprinkled with icing sugar, outside under the gazebo where they were joined by the cheeky robin.

Ms Constable  
Think Family Link

## Library - Portsmouth Book Awards

A group of Year 9 students have been taking part in the Portsmouth Book Awards which has been adapted to fit the current climate. Students from Bourne were also involved in the short listing process so helped to choose the four books that were going to be part of the award. Students from schools across the local area then read the four books before deciding on their favourites. When voting, students were asked to think about the beginning and ending; the characters and storyline; and finally to reflect on the impact of the book on them.

All the students taking part have voted and are now waiting to find out who is the winner.

The top three books have been revealed as:

Ele Fountain - Lost  
Dan Freedman - Unstoppable  
Kate Mallinder - Asking for a friend

The final results will be announced online in mid-June and the winning author will create a video to be shared with the students.

Mrs E Farley  
School Library Manager

## Travelling to school and college safely, now that LOCKDOWN has been eased.

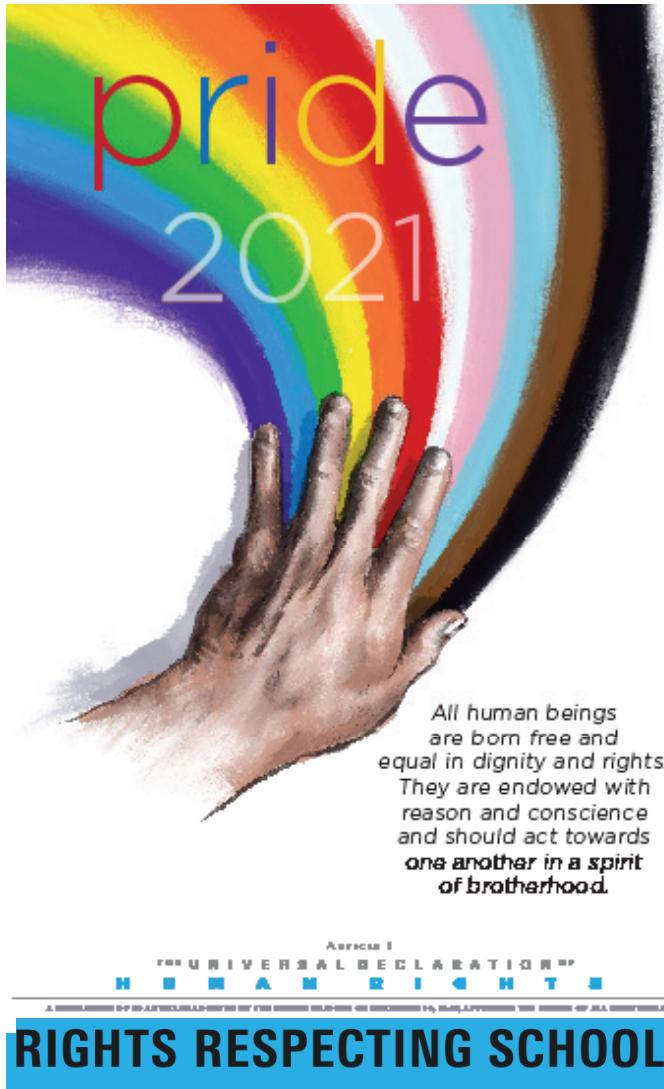

It is likely that the roads and public transport system will be busier than when we returned to school in March, as more people have returned to work.

So please follow this advice:

- if you live a short distance from your school or college, walk or cycle to and from school wherever it is possible and safe to do so
- avoid sharing a car with anyone outside of your household or support bubble
- if you are using public transport to get to school or college, plan ahead and allow more time for your journey
- when you are travelling by public or dedicated school transport, don't forget to wear a face covering (unless you are exempt)
- It is important you wear them for the entirety of your journey, including inside a bus or train station
- social distance where possible
- do not congregate in large groups anywhere on stations/ bus stops or in parks
- wash or sanitise your hands regularly
- be considerate to fellow passengers and staff.

It is essential everyone follows these guidelines to keep everyone safe.

Celebrating Pride Month

**"The beauty of standing up for your rights is others see you standing and stand up as well."**

Catering Assistant – IMMEDIATE START

We have a fantastic opportunity giving you the chance to showcase your skills and join a great team in a busy school environment. Full refectory offering a range of hot and cold meals, our concept dining solutions, snacks etc.

Caterlink are the UK's leading contract caterer to schools and colleges providing fresh healthy foods to over 200,000 customers a week.

Our "Fresh Food Policy" is the foundation of our success and growth in the market coupled with a desire to truly deliver on the promises we make to our clients and support our site based teams.

We are now seeking to recruit a talented and ambitious Catering Assistant at Bourne Community College, Southbourne, West Sussex

The successful applicant will be able to demonstrate excellent customer service skills.

Your role will include food preparation, general cleaning duties, setting up the service area, and serving customers in a polite, friendly and professional manner.

*We are offering £8.91 per hour working 10.15am to 1.15pm. The hours will be working term time only, Monday to Friday.*

You will be enthusiastic, flexible, have a neat and tidy appearance and possess strong communication skills.

"Caterlink is committed to safeguarding and promoting the welfare of children and young people and expects all employees to share this commitment."

A DBS disclosure will be required for this role.

To apply for this position or to request further information please email Liz Christian
