Whistleblowing Policy

"The best interests of the child must be a top priority in all matters concerning children"
Article 3 – UNCRC

Scope

The policy and procedure set out in this document applies to all Bourne Community College employees.

As a values-led organisation our values of ambition, confidence, creativity, respect, enthusiasm and determination are key to our purpose and underpin all that we do.

1. The Legal Position

1.1 The European Convention on Human Rights was incorporated into UK law by the Human Rights Act 1998, and the Public Interest Disclosure Act 1998 (PIDA) which reflects article 10 of the Convention in providing the right to freedom of expression. The PIDA came into force on 2 July 1999 and offers a framework of protection against victimisation or dismissal for workers who blow the whistle on criminal behaviour or other wrongdoing (as defined below). Further provisions were introduced by the Enterprise and Regulatory Reform Act 2013.

1.2 Keeping Children Safe in Education (Sept 2016) applies a statutory duty for schools to provide a mechanism in which individuals are able to raise concerns about poor or unsafe practice and potential failures in a school's safeguarding regime.

2. Objectives

2.1 To ensure that Bourne Community College develops and maintains a working environment in which everyone feels able and encouraged to speak up about any concerns they may have in relation to any of the circumstances detailed in section 3:1.

2.2 To ensure that the activities of Bourne Community College and its staff, whilst confidential in terms of commercial operations, are not subject to cover-up where any of the circumstances referred to in Section 3:1 arise.

3. Policy

3.1 It is the duty of every individual to speak up about genuine concerns in relation to:

- a) Criminal activity;
- b) Negligence by any person or outside body;
- c) Breach of a legal or contractual obligation;
- d) Miscarriage of justice;
- e) Danger to health and safety or the environment and danger at work;
- f) Breach of Bourne Community College procedures;

- g) Financial or operational malpractice, fraud or corruption;
- h) Improper conduct under Bourne Community College policies and procedures;
- i) The dissemination of radical or extreme opinions which are contrary to the Mission and Values Statements of Bourne Community College
- j) Poor or unsafe safeguarding practice *and*
- k) The cover-up of any of these in the workplace.

3.2 Bourne Community College is committed to ensuring that any concerns of this nature are taken seriously and investigated. A disclosure to Bourne Community College will be protected if the individual:

- a) Has an honest and reasonable suspicion that any of the circumstances listed at 3.1 above has occurred, is occurring or is likely to occur; *and*
- b) Has reasonable belief that the disclosure is made in the public interest.

3.3 Individuals who raise concerns reasonably and responsibly will not be penalised in any way and will be protected from harassment and victimisation.

3.4 This will apply notwithstanding that the information in relation to which the individual raises the concern was given to them in confidence.

4. Procedure

4.1 Any individual who has reasonable concerns in relation to those matters listed at 3.1 above should initially take them to the Head Teacher. If they do not feel that this is the appropriate person, they should approach another senior manager or go direct to any of the following:

- a) School DSL
- b) Chair of Governors
- c) Link Advisor from WSCC
- d) Chair of Personnel & Welfare Committee

4.2 It is recognised that for some individuals, raising a concern under this procedure may be a daunting and difficult experience. An individual may choose to be accompanied or represented by a colleague or by their Trade Union representative at any stage of this procedure.

4.3 All reported incidents will be investigated.

4.4 All reports will be dealt with in confidence, in accordance with Bourne Community College's usual confidentiality in relation to possible disciplinary matters

4.5 The Headteacher or such person will establish and record the basis of the concerns that have been raised and establish what further actions are required. The individual raising the concern will be advised of the outcome of the investigation as soon as possible, normally within 14 calendar days of the date of their disclosure. Where a longer period is needed for investigation, the member of staff will be informed in writing the reason for the delay and an estimated timescale.

4.6 The Chair of Governors will be informed of all reported disclosures and the actions being taken.

4.7 In the case of disclosures on alleged fraud and corruption, the Chair of Governors will be informed immediately and subsequently coordinate the investigation of the alleged malpractice.

4.8 If an individual is not satisfied with the response received and any subsequent action taken, they should put their concerns in writing to the Chair of WSCC directly who will arrange any further investigation as appropriate. The Chair will send a written response to the individual concerned within 14 calendar days.

4.9 The use of this policy to further private disputes or make unfounded allegations for malicious or vexatious reasons may result in disciplinary action being taken against that individual.

5. Guiding Principles

5.1 To ensure that this policy is adhered to, and to assure all to whom this policy applies that their concerns will be taken seriously, Bourne Community College will:

- a) Not allow the person raising the concern to be victimised for doing so;
- b) Treat victimisation of whistle blowers as a serious matter, which will lead to disciplinary action that may include dismissal;
- c) Not attempt to conceal evidence of poor or unacceptable practice;
- d) Take disciplinary action where an employee wilfully or negligently destroys or conceals evidence of breach of this policy (This clause should not be read as preventing corrective action from taking place in accordance with good practice);
- e) Ensure confidentiality clauses in employment contracts do not restrict, forbid or penalise whistle blowing.
